Title: The Rituals of Calling

Author: Ilithari Necrosa  
-----

Herein shall ye find the  
true Rituals of Calling, as  
discovered by the great  
Morgoth, taught to us  
should they be needed  
after the impending war.  
If things go ill, they will  
be required to bring

forth the Renewal of  
Blood. These must be  
performed with great  
attention to detail, in the  
proper order, at the  
proper place, at the  
proper time, else all may  
be lost forever...

Should the Spirit that  
once was come again,  
seek out the Rooms of  
Power, and perform the  
rites herein. This is the  
only way to quicken the  
Bloodline and bring about  
the Renewal

The Ritual of Life  
The Skull of Power must  
be brought to the Room  
of Stars in order to  
wake the Disciple of Life.

If all is in order, the  
First Blessing will be  
granted and received.

Gela Coia

Hirao Hildor en'Coia,

Lava Templa!

I'Fea ya ero coie

Milya Coia!

The Ritual of Death

The Skull of Gold must  
be given at the Water's  
Edge to reach the Depths  
of the Underworld. Upon  
the Altar the Disciple of  
Death awaits with the  
Second Blessing.

Gela Gurtha

Hirao Hildor en'Gurtha,  
Lava Poldora!  
I'Fea ya ero gurthe  
Nuquernuva Gurtha!  
The Ritual of Calling  
The Skull of the Spirit  
must be laid to rest  
before the Spirit may be  
called forth. If all is in  
order, the New Blood will  
rise and the Renewal shall  
begin...
